INTRODUCTION

The respective directors of the Offeror and the Company jointly announce that on 20 March 2020, the Offeror requested the Board to put forward the Proposal to the Scheme Shareholders for the privatisation of the Company by way of a scheme of arrangement under section 99 of the Companies Act.

TERMS OF THE PROPOSAL

If the Proposal is approved and implemented:

- (a) the Founder Scheme Shares held by the Founder Group will be cancelled in consideration for the Founder Cancellation Consideration, being the crediting of the unpaid Fung Shareholder Shares held by them in the Fung Shareholder (an entity that indirectly holds 32.33% of the Offeror's shares) as being fully paid in the amount of the Cancellation Price of HK\$1.25 per Fung Shareholder Share;
- (b) all other Scheme Shares will be cancelled in consideration for the Cancellation Price of HK\$1.25 per Scheme Share which shall be paid in cash;
- (c) new Shares corresponding to the cancelled Scheme Shares will be issued to the Offeror, credited as fully paid, such that the Company will become wholly-owned by the Offeror; and
- (d) the listing of the Shares on the Stock Exchange will be withdrawn with effect immediately following the Effective Date.

Cancellation Price per Scheme Share

The Cancellation Price of HK\$1.25 per Scheme Share represents:

- (a) a premium of approximately 150.0% over the closing price of HK\$0.500 per Share as quoted on the Stock Exchange on the Last Trading Date;
- (b) a premium of approximately 157.7% over the average closing price of approximately HK\$0.485 per Share as quoted on the Stock Exchange for the 5 trading days up to and including the Last Trading Date;
- (c) a premium of approximately 95.2% over the average closing price of approximately HK\$0.641 per Share as quoted on the Stock Exchange for the 30 trading days up to and including the Last Trading Date;
- (d) a premium of approximately 72.7% over the average closing price of approximately HK\$0.724 per Share as quoted on the Stock Exchange for the 60 trading days up to and including the Last Trading Date;
- (e) a premium of approximately 62.1% over the average closing price of approximately HK\$0.771 per Share as quoted on the Stock Exchange for the 90 trading days up to and including the Last Trading Date;
- (f) a premium of approximately 57.0% over the average closing price of approximately HK\$0.796 per Share as quoted on the Stock Exchange for the 120 trading days up to and including the Last Trading Date;

- (g) a premium of approximately 43.8% over the average closing price of approximately HK\$0.869 per Share as quoted on the Stock Exchange for the 180 trading days up to and including the Last Trading Date; and
- (h) a premium of approximately 8.2% to the audited consolidated net asset value attributable to Shareholders per Share of approximately HK\$1.155 as at 31 December 2019 (based on an exchange rate of US\$1.0 = HK\$7.80).

The Cancellation Price has been determined on a commercial basis after taking into account, among other things, the challenging operating environment facing the Company, the recent and historic traded prices of the Shares, publicly available financial information of the Company, and other privatisation transactions in Hong Kong in recent years.

The Offeror will not increase the Cancellation Price and does not reserve the right to do so. Shareholders and potential investors should be aware that, following the making of this statement, the Offeror will not be allowed to increase the Cancellation Price.

CONFIRMATION OF FINANCIAL RESOURCES

Taking into account that the Founder Scheme Shares will be cancelled in consideration for the Founder Cancellation Consideration, the Proposal will involve making an offer to cancel 5,778,319,530 Scheme Shares, in exchange for the Cancellation Price of HK\$1.25 per Scheme Share in cash.

The total amount of cash required to implement the Proposal in full would be approximately HK\$7,222,899,412.50, which will be funded by the GLP Group through external debt financing and/or internal resources of GLP.

Morgan Stanley, the financial adviser to the Offeror, is satisfied that sufficient financial resources are available to the Offeror for satisfying in full its payment obligations in respect of the cash consideration payable under the Proposal.

The Offeror does not intend to and will not require the Company to increase its financial indebtedness to implement the Proposal.

The notes and perpetual securities issued under the US\$2 billion medium term note and perpetual securities programme established by the Company on 11 October 2016 will remain listed on the Singapore Exchange Securities Trading Limited.

CONDITIONS OF THE PROPOSAL AND VOTING

The Proposal and the Scheme will only become effective and binding on the Company and all of the Shareholders if the following Conditions are fulfilled or waived (as applicable):

- (a) the approval of the Scheme (by way of poll) by a majority in number of the Scheme Shareholders present and voting at the Court Meeting, representing not less than 75% in value of those Scheme Shares that are voted either in person or by proxy by the Scheme Shareholders at the Court Meeting;
- (b) the approval of the Scheme (by way of poll) by at least 75% of the votes attaching to the Scheme Shares held by the Disinterested Shareholders (being

all Scheme Shareholders, other than those acting in concert with the Offeror) that are voted either in person or by proxy at the Court Meeting, provided that the number of votes cast against the resolution to approve the Scheme is not more than 10% of the votes attaching to all of the Scheme Shares held by the Disinterested Shareholders;

- (c) the passing by the Shareholders at the SGM of (i) a special resolution to approve any reduction of the issued share capital of the Company by the cancellation of the Scheme Shares; and (ii) an ordinary resolution to apply the reserve created by the cancellation of the Scheme Shares to simultaneously restore the issued share capital of the Company by the allotment and issue to the Offeror of such number of new Shares (credited as fully paid) as is equal to the number of the Scheme Shares cancelled;
- (d) the sanction of the Scheme (with or without modification) by the Court and the delivery to the Registrar of Companies in Bermuda of a copy of the order of the Court for registration;
- (e) compliance with the procedural requirements and conditions, if any, under section 46(2) of the Companies Act in relation to any reduction of the issued share capital of the Company;
- (f) in relation to the Founder Arrangement (being (a) the receipt by the Founder Group of the Founder Cancellation Consideration in lieu of the Cancellation Price in cash; and (b) the entry by the relevant members of the Founder Group and the GLP Group into the Shareholders' Agreement): (i) the receipt of an opinion from the Independent Financial Adviser to the Independent Board Committee confirming that the Founder Arrangement is fair and reasonable as far as the Disinterested Shareholders are concerned; (ii) the passing of an ordinary resolution by the Disinterested Shareholders at the SGM to approve the Founder Arrangement; and (iii) the grant of consent under Note 3 to Rule 25 of the Takeovers Code from the Executive to the Founder Arrangement;
- (g) with respect to any applicable antitrust review in the USA under the United States Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the regulations thereunder, the expiration or termination of any applicable waiting periods (including any extensions thereof) in connection with the Scheme;
- (h) all Approvals which are (i) required in connection with the Proposal by Applicable Laws or any licenses, permits or contractual obligations of the Company; and (ii) material in the context of the Group (taken as a whole), having been obtained (or, as the case may be, completed) and remaining in full force and effect without modification up to and as at the Effective Date;
- (i) no Authority in any jurisdiction having taken or instituted any action, proceeding, suit, investigation or enquiry (or enacted or proposed, and there not continuing to be outstanding, any statute, regulation, demand or order), in each case, which would make the Proposal void, unenforceable, illegal or impracticable (or which would impose any material and adverse conditions or obligations with respect to the Proposal); and

- (j) all Applicable Laws having been complied with and no legal or regulatory requirement having been imposed by any Authority which is not expressly provided for, or is in addition to the requirements expressly provided for, in the Applicable Laws in connection with the Proposal which are material in the context of the Group (taken as a whole), in each case up to and as at the Effective Date.

The Conditions in paragraphs (a) to (g) (inclusive) above are not waivable. The Offeror reserves the right to waive all or any of the Conditions in paragraphs (h) to (j) (inclusive) in whole or in part. The Company does not have the right to waive any of the Conditions. All of the above Conditions must be fulfilled or waived, as applicable, on or before the Long Stop Date, failing which the Proposal and the Scheme will lapse.

VOTING AT THE COURT MEETING AND THE SGM

All Scheme Shareholders will be entitled to attend and vote at the Court Meeting to approve the Scheme, but only the votes of the Disinterested Shareholders will be taken into account in determining if the Condition in paragraph (b) above is satisfied.

All Shareholders will be entitled to attend the SGM and vote on the restoration of the share capital of the Company (as described in the Condition in paragraph (c) above), but for the purposes of the Takeovers Code, only the Disinterested Shareholders will be entitled to vote at the SGM on the ordinary resolution to approve the Founder Arrangement.

FOUNDER IRREVOCABLE UNDERTAKINGS

On 20 March 2020, each member of the Founder Group has given an irrevocable undertaking in favour of the Offeror, the Fung Shareholder and the GLP Shareholders to take certain actions, including (among others):

- (a) to agree to and assist in implementing the cancellation of the Founder Scheme Shares held by them in consideration for the Founder Cancellation Consideration; and
- (b) to the extent permitted by applicable laws (including the Takeovers Code), to vote any Shares held by them in favour of any resolutions proposed at the SGM to implement the Scheme or which are necessary for the Scheme to become effective.

FOUNDER ARRANGEMENT

As the Founder Arrangement is not offered to all Shareholders, the Founder Arrangement requires the consent of the Executive under Note 3 to Rule 25 of the Takeovers Code. The Offeror has made an application for consent to the Executive, and the Proposal and the Scheme is subject to fulfilment of the Condition relating to the Founder Arrangement in paragraph (f) above.

INDEPENDENT BOARD COMMITTEE AND INDEPENDENT FINANCIAL ADVISER

An Independent Board Committee, which comprises the following non-executive

Directors: Ms. Margaret Leung Ko May Yee (chair of the Independent Board Committee), Mr. Allan Wong Chi Yun, Mr. Martin Tang Yue Nien, Mr. Chih Tin Cheung and Mr. John G. Rice, has been established by the Board to make a recommendation to the Disinterested Shareholders as to whether (i) the Proposal, and in particular the Scheme and the Founder Arrangement, is fair and reasonable; and (ii) to vote in favour of the Founder Arrangement at the SGM and the Scheme at the Court Meeting.

The Independent Financial Adviser will be appointed by the Board in due course to advise the Independent Board Committee on the Proposal, the Scheme and the Founder Arrangement. A further announcement will be made after the appointment of the Independent Financial Adviser.

WITHDRAWAL OF LISTING OF THE SHARES

Upon the Scheme becoming effective, all Scheme Shares will be cancelled (with the equivalent number of new Shares being simultaneously issued and credited as fully paid to the Offeror) and the share certificates for the Scheme Shares will thereafter cease to have effect as documents or evidence of title. The Company will make an application for the listing of the Shares to be withdrawn from the Stock Exchange in accordance with Rule 6.15 of the Listing Rules, with effect immediately following the Effective Date.

IF THE SCHEME IS NOT APPROVED OR THE PROPOSAL LAPSES

Subject to the requirements of the Takeovers Code, the Scheme will lapse if any of the Conditions has not been fulfilled or waived, as applicable, on or before the Long Stop Date. If the Scheme is not approved or the Proposal otherwise lapses, the listing of the Shares on the Stock Exchange will not be withdrawn.

DESPATCH OF THE SCHEME DOCUMENT

A Scheme Document including, among other things, further details of the Proposal, the Scheme and the Founder Arrangement, an explanatory statement as required under the Companies Act, the expected timetable relating to the Proposal, the recommendations of the Independent Board Committee, the letter of advice from the Independent Financial Adviser and notices of the Court Meeting and the SGM will be despatched to the Scheme Shareholders as soon as practicable and in compliance with the requirements of the Takeovers Code and applicable laws and regulations.

WARNINGS

Shareholders and potential investors should be aware that the Proposal is subject to the Conditions being fulfilled or waived, as applicable, and therefore the Proposal may or may not be implemented. Shareholders and potential investors should therefore exercise caution when dealing in the securities of the Company. Persons who are in doubt as to the action they should take should consult their stockbroker, bank manager, solicitor or other professional advisers.

This announcement is not intended to and does not constitute, or form part of, any offer to sell or subscribe for or an invitation to purchase or subscribe for any securities or the solicitation of any vote or approval in any jurisdiction pursuant to the Proposal or otherwise, nor shall there be any sale, issuance or transfer of

securities of the Company in any jurisdiction in contravention of applicable law. The Proposal will be made solely through the Scheme Document, which will contain the full terms and conditions of the Proposal, including details of how to vote on the Proposal. Any approval or other response to the Proposal should be made only on the basis of information in the Scheme Document and the individual circumstances of the Shareholder making the decision.

The availability of the Proposal to persons who are not resident in Hong Kong may be affected by the laws of the relevant jurisdictions in which they are located or of which they are citizens. Persons who are not so resident in Hong Kong should inform themselves about, and observe, any applicable legal or regulatory requirements of their jurisdictions. Further details in relation to overseas shareholders will be contained in the Scheme Document.

Notice to US investors

The Proposal is being made to cancel the securities of a Bermuda company by means of a scheme of arrangement provided for under the laws of Bermuda and is subject to Hong Kong disclosure requirements which are different from those of the United States.

A transaction effected by means of a scheme of arrangement is not subject to the tender offer rules of the US Securities Exchange Act of 1934, as amended. Accordingly, the Proposal is subject to the disclosure requirements and practices applicable in Bermuda and Hong Kong to schemes of arrangement which differ from the disclosure and procedural requirements applicable under the US federal securities laws.

The receipt of cash pursuant to the Proposal by a US holder of Scheme Shares as consideration for the cancellation of his Scheme Shares pursuant to the Scheme may be a taxable transaction for US federal income tax purposes and under applicable US state and local, as well as foreign and other tax laws. Each holder of Scheme Shares is urged to consult his independent professional adviser immediately regarding the tax consequences of the Proposal applicable to him.

It may be difficult for US holders of Scheme Shares to enforce their rights and claims arising out of the US federal securities laws, since the Offeror and the Company are located in a country other than the United States, and some or all of their officers and directors may be residents of a country other than the United States. US holders of Scheme Shares may not be able to sue a non-US company or its officers or directors in a non-US court for violations of the US securities laws. Further, it may be difficult to compel a non-US company and its affiliates to subject themselves to a US court's judgement.

INTRODUCTION

On 20 March 2020, the Offeror requested the Board to put forward the Proposal to the Scheme Shareholders for the privatisation of the Company by way of a scheme of arrangement under section 99 of the Companies Act.

TERMS OF THE PROPOSAL

If the Proposal is approved and implemented:

- (a) the Founder Scheme Shares held by the Founder Group will be cancelled in consideration for the Founder Cancellation Consideration, being the crediting of the unpaid Fung Shareholder Shares held by them in the Fung Shareholder (an entity that indirectly holds 32.33% of the Offeror's shares) as being fully paid in the amount of the Cancellation Price of HK\$1.25 per Fung Shareholder Share;
- (b) all other Scheme Shares will be cancelled in consideration for the Cancellation Price of HK\$1.25 per Scheme Share which shall be paid in cash;
- (c) new Shares corresponding to the cancelled Scheme Shares will be issued to the Offeror, credited as fully paid, such that the Company will become wholly-owned by the Offeror; and
- (d) the listing of the Shares on the Stock Exchange will be withdrawn with effect immediately following the Effective Date.

Cancellation Price per Scheme Share

The Cancellation Price of HK\$1.25 per Scheme Share represents:

- (a) a premium of approximately 150.0% over the closing price of HK\$0.500 per Share as quoted on the Stock Exchange on the Last Trading Date;
- (b) a premium of approximately 157.7% over the average closing price of approximately HK\$0.485 per Share as quoted on the Stock Exchange for the 5 trading days up to and including the Last Trading Date;
- (c) a premium of approximately 95.2% over the average closing price of approximately HK\$0.641 per Share as quoted on the Stock Exchange for the 30 trading days up to and including the Last Trading Date;
- (d) a premium of approximately 72.7% over the average closing price of approximately HK\$0.724 per Share as quoted on the Stock Exchange for the 60 trading days up to and including the Last Trading Date;
- (e) a premium of approximately 62.1% over the average closing price of approximately HK\$0.771 per Share as quoted on the Stock Exchange for the 90 trading days up to and including the Last Trading Date;

- (g) a premium of approximately 43.8% over the average closing price of approximately HK\$0.869 per Share as quoted on the Stock Exchange for the 180 trading days up to and including the Last Trading Date; and
- (h) a premium of approximately 8.2% to the audited consolidated net asset value attributable to Shareholders per Share of approximately HK\$1.155 as at 31 December 2019 (based on an exchange rate of US\$1.0 = HK\$7.80).

Highest and lowest prices

During the six-month period ended on and including the Last Trading Date, the highest closing price of the Shares as quoted on the Stock Exchange was HK\$0.940 on 7 November 2019, and the lowest closing price of the Shares as quoted on the Stock Exchange was HK\$0.475 on 19 March 2020.

During the twelve-month period ended on and including the Last Trading Date, the highest closing price of the Shares as quoted on the Stock Exchange was HK\$1.550 on 22 March 2019, and the lowest closing price of the Shares as quoted on the Stock Exchange was HK\$0.475 on 19 March 2020.

In the paragraphs above titled “Cancellation Price per Scheme Share” and “Highest and lowest prices”, the historical closing prices per Share mentioned as quoted on the Stock Exchange were obtained from the website of the Stock Exchange (<http://www.hkex.com.hk>) on the Last Trading Date, and thus have been adjusted for corporate actions and entitlement events including special dividends based on adjustment methods adopted by the Stock Exchange. Please refer to the website of the Stock Exchange for the adjustment method of historical securities prices.

The Cancellation Price has been determined on a commercial basis after taking into account, among other things, the challenging operating environment facing the Company, the recent and historic traded prices of the Shares, publicly available financial information of the Company, and other privatisation transactions in Hong Kong in recent years.

The Offeror will not increase the Cancellation Price and does not reserve the right to do so. Shareholders and potential investors should be aware that, following the making of this statement, the Offeror will not be allowed to increase the Cancellation Price.

CONFIRMATION OF FINANCIAL RESOURCES

Taking into account that the Founder Scheme Shares will be cancelled in consideration for the Founder Cancellation Consideration, the Proposal will involve making an offer to cancel 5,778,319,530 Scheme Shares, in exchange for the Cancellation Price of HK\$1.25 per Scheme Share in cash.

The total amount of cash required to implement the Proposal in full would be approximately HK\$7,222,899,412.50, which will be funded by the GLP Group through external debt financing and/or internal resources of GLP.

Morgan Stanley, the financial adviser to the Offeror, is satisfied that sufficient financial resources are available to the Offeror for satisfying in full its payment obligations in respect of the cash consideration payable under the Proposal.

The Offeror does not intend to and will not require the Company to increase its financial indebtedness to implement the Proposal.

The notes and perpetual securities issued under the US\$2 billion medium term note and perpetual securities programme established by the Company on 11 October 2016 will remain listed on the Singapore Exchange Securities Trading Limited.

CONDITIONS OF THE PROPOSAL

The Proposal and the Scheme will only become effective and binding on the Company and all of the Shareholders if the following Conditions are fulfilled or waived (as applicable):

- (a) the approval of the Scheme (by way of poll) by a majority in number of the Scheme Shareholders present and voting at the Court Meeting, representing not less than 75% in value of those Scheme Shares that are voted either in person or by proxy by the Scheme Shareholders at the Court Meeting;
- (b) the approval of the Scheme (by way of poll) by at least 75% of the votes attaching to the Scheme Shares held by the Disinterested Shareholders that are voted either in person or by proxy at the Court Meeting, provided that the number of votes cast against the resolution to approve the Scheme is not more than 10% of the votes attaching to all of the Scheme Shares held by the Disinterested Shareholders;
- (c) the passing by the Shareholders at the SGM of (i) a special resolution to approve any reduction of the issued share capital of the Company by the cancellation of the Scheme Shares; and (ii) an ordinary resolution to apply the reserve created by the cancellation of the Scheme Shares to simultaneously restore the issued share capital of the Company by the allotment and issue to the Offeror of such number of new Shares (credited as fully paid) as is equal to the number of the Scheme Shares cancelled;
- (d) the sanction of the Scheme (with or without modification) by the Court and the delivery to the Registrar of Companies in Bermuda of a copy of the order of the Court for registration;
- (e) compliance with the procedural requirements and conditions, if any, under section 46(2) of the Companies Act in relation to any reduction of the issued share capital of the Company;
- (f) in relation to the Founder Arrangement: (i) the receipt of an opinion from the Independent Financial Adviser to the Independent Board Committee confirming that the Founder Arrangement is fair and reasonable as far as the Disinterested Shareholders are concerned; (ii) the passing of an ordinary resolution by the Disinterested Shareholders at the SGM to approve the Founder Arrangement; and (iii) the grant of consent under Note 3 to Rule 25 of the Takeovers Code from the Executive to the Founder Arrangement;
- (g) with respect to any applicable antitrust review in the USA under the United States Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the regulations thereunder, the expiration or termination of any applicable

waiting periods (including any extensions thereof) in connection with the Scheme;

- (h) all Approvals which are (i) required in connection with the Proposal by Applicable Laws or any licenses, permits or contractual obligations of the Company; and (ii) material in the context of the Group (taken as a whole), having been obtained (or, as the case may be, completed) and remaining in full force and effect without modification up to and as at the Effective Date;
- (i) no Authority in any jurisdiction having taken or instituted any action, proceeding, suit, investigation or enquiry (or enacted or proposed, and there not continuing to be outstanding, any statute, regulation, demand or order), in each case, which would make the Proposal void, unenforceable, illegal or impracticable (or which would impose any material and adverse conditions or obligations with respect to the Proposal); and
- (j) all Applicable Laws having been complied with and no legal or regulatory requirement having been imposed by any Authority which is not expressly provided for, or is in addition to the requirements expressly provided for, in the Applicable Laws in connection with the Proposal which are material in the context of the Group (taken as a whole), in each case up to and as at the Effective Date.

The Conditions in paragraphs (a) to (g) (inclusive) above are not waivable. The Offeror reserves the right to waive all or any of the Conditions in paragraphs (h) to (j) (inclusive) in whole or in part. The Company does not have the right to waive any of the Conditions. All of the above Conditions must be fulfilled or waived, as applicable, on or before the Long Stop Date, failing which the Proposal and the Scheme will lapse.

Pursuant to Note 2 to Rule 30.1 of the Takeovers Code, the Offeror may only invoke any or all of the Conditions as a basis for not proceeding with the Proposal if the circumstances which give rise to the right to invoke such Condition are of material significance to the Offeror in the context of the Proposal.

As at the date of this announcement, other than pursuant to the Conditions in paragraphs (a) to (g) (inclusive), the Offeror and the Company are not aware of any circumstances which may result in any of the Conditions in paragraphs (h) to (j) (inclusive) not being satisfied. As at the date of this announcement and based on the information available to the Offeror, the Offeror is also not aware of any Approvals which are required as set out in the Condition in paragraph (h) above.

If the Conditions are satisfied or validly waived (as applicable), the Scheme will be binding on all of the Shareholders, irrespective of whether or not they attended or voted at the Court Meeting or the SGM.

Warning: Shareholders and potential investors should be aware that the Proposal is subject to the Conditions being fulfilled or waived, as applicable, and therefore the Proposal may or may not be implemented. Shareholders and potential investors should therefore exercise caution when dealing in the securities of the Company. Persons who are in doubt as to the action they should

take should consult their stockbroker, bank manager, solicitor or other professional advisers.

VOTING AT THE COURT MEETING AND THE SGM

All Scheme Shareholders will be entitled to attend and vote at the Court Meeting to approve the Scheme, but only the votes of the Disinterested Shareholders will be taken into account in determining if the Condition in paragraph (b) above is satisfied.

All Shareholders will be entitled to attend the SGM and vote on the restoration of the share capital of the Company (as described in the Condition in paragraph (c) above), but for the purposes of the Takeovers Code, only the Disinterested Shareholders will be entitled to vote at the SGM on the ordinary resolution to approve the Founder Arrangement.

FOUNDER IRREVOCABLE UNDERTAKINGS

On 20 March 2020, each member of the Founder Group has given an irrevocable undertaking in favour of the Offeror, the Fung Shareholder and the GLP Shareholders:

- (a) to agree to and assist in implementing the cancellation of the Founder Scheme Shares held by them in consideration for the Founder Cancellation Consideration;
- (b) to provide undertakings to the Court to agree to and be bound by the Scheme and to receive the Founder Cancellation Consideration in consideration for cancellation of their Founder Scheme Shares under the Scheme, in lieu of a class meeting of the Founder Group to approve the Scheme;
- (c) to the extent permitted by applicable laws (including the Takeovers Code), to vote any Shares held by them in favour of any resolutions proposed at the SGM to implement the Scheme or which are necessary for the Scheme to become effective; and
- (d) not to: (i) dispose of any interest in any Shares held by them; (ii) accept any other offer to acquire such Shares; or (iii) vote in favour of any resolution which is proposed in competition with the Scheme, until the Scheme becomes effective, lapses or is withdrawn.

The Founder Irrevocable Undertakings will be terminated if the Scheme is not approved or the Proposal otherwise lapses or is withdrawn.

ARRANGEMENTS MATERIAL TO THE PROPOSAL

Founder Arrangement

As the Founder Arrangement (being (a) the receipt by the Founder Group of the Founder Cancellation Consideration in lieu of the Cancellation Price in cash; and (b) the entry by the relevant members of the Founder Group and the GLP Group into the Shareholders' Agreement) is not offered to all Shareholders, the Founder Arrangement requires the consent of the Executive under Note 3 to Rule 25 of the Takeovers Code, and the Offeror has made an application for consent to the Executive.

The Proposal and the Scheme are therefore subject to:

- (a) the receipt of an opinion from the Independent Financial Adviser to the Independent Board Committee confirming that the Founder Arrangement is fair and reasonable as far as the Disinterested Shareholders are concerned;
- (b) the passing of an ordinary resolution by the Disinterested Shareholders at the SGM to approve the Founder Arrangement; and
- (c) the grant of consent from the Executive to the Founder Arrangement, which will be conditional on satisfaction of the matters in paragraphs (a) and (b).

Shareholders' Agreement

On 20 March 2020, Fung 1937, the Fung Shareholder, the GLP Group and HoldCo entered into the Shareholders' Agreement in respect of the governance of the Offeror Group, which is intended to take full effect upon the Scheme becoming effective. A summary of the key terms of the Shareholders' Agreement is set out below:

- (a) **Shareholding.** As further described in the section headed "*Information on the Offeror Group*" below, there are two classes of shares in HoldCo: voting shares and non-voting shares, of which: (i) the Fung Shareholder holds a majority (60%) of the voting shares (but no non-voting shares) and 32.33% of the total shares; (ii) the GLP A Shareholder holds a minority (40%) of the voting shares, and 21.55% of the total shares; and (iii) the GLP B Shareholder holds all of the non-voting shares, and 46.12% of the total shares.
- (b) **Voting rights.** The voting shares shall carry one vote each. The non-voting shares shall not carry any voting rights.
- (c) **Distributions.** All distributions by HoldCo shall be subject to (i) HoldCo having sufficient net profits attributable to the shareholders; (ii) approval of the HoldCo board as to the amount of the distribution; and (iii) a cap on distributions in any given year of 60% of the net profits attributable to the shareholders.
- (d) **Economic rights.** The voting shares and the non-voting shares shall carry the same entitlement to any distributions by HoldCo pro rata to their respective shareholding in HoldCo, provided that:
 - (i) the non-voting shares shall carry a priority over the voting shares on any distributions up to a benchmark of 5% of the subscription price per annum, such that if the amount of the distribution in any given year is not sufficient to cover such 5% dividend on all of the shares, the non-voting shares shall have a priority on payment ahead of the voting shares;
 - (ii) any shortfall on such 5% dividend on the shares in any given year shall accumulate and be rolled into the following year;
 - (iii) the voting shares shall only be entitled to a dividend if there is no accumulated shortfall on the 5% dividend from previous years on the non-voting shares, and a dividend of 3% for that given year has been paid on the non-voting shares; and

- (iv) in exchange for such dividend priority, the non-voting shares shall be subject to a cap on its internal rate of return (IRR). If this cap is passed and maintained, the voting shares shall benefit from an increased entitlement to any subsequent distributions, such that 80% of the distribution that the non-voting shares would otherwise be entitled to receive will be apportioned to the voting shares instead. The amount of the cap on the IRR shall be notified by GLP to Fung 1937 on or before the Effective Date, which shall be no less than 15% and no more than 20%.
- (e) **Board composition.** The Fung Shareholder shall have the right to appoint a majority of the directors on the board of HoldCo, and the GLP A Shareholder shall have the right to appoint a minority of the directors.
- (f) **Reserved matters.** The board of HoldCo will be responsible for the overall direction, supervision and management of the Offeror Group, subject to a limited number of minority protection reserved matters over which the GLP A Shareholder shall have a veto right.
- (g) **Pre-emption rights.** Any new issues of shares by any member of the Offeror Group shall be subject to a right of pre-emption in favour of (i) the Fung Shareholder and the GLP A Shareholder (pro rata to their respective proportionate shareholding of the voting shares) in respect of any new issue of voting shares; and (ii) the GLP B Shareholder in respect of any new issue of non-voting shares.
- (h) **Share transfer restrictions.** The parties shall be subject to a 5-year lock-up in respect of (direct and indirect) transfers of shares in HoldCo. The lock-up is subject to certain customary carve-outs, including a right for (i) GLP to transfer a minority stake in the GLP Shareholders during the lock-up period; (ii) the Fung Shareholder to transfer a minority stake in HoldCo during the lock-up period, provided it continues to hold a majority of the voting shares in HoldCo; and (iii) the parties to transfer their (direct and indirect) shares in HoldCo to controlled affiliates during the lock-up period for internal reorganisation purposes, but provided there is no change to the ultimate beneficial owner.
- (i) **Right of first refusal and tag along.** After the lock-up period, the parties shall have the right to transfer their (direct and indirect) shares in HoldCo subject to reciprocal rights of first refusal and tag-along rights.

SHARE AWARDS

As at the date of this announcement:

- (a) there are 119,938,100 granted unvested Share Awards, which entitle their holders to receive from the Trustee a total of 119,938,100 Shares; and
- (b) there are 125,901,900 Trustee Held Shares, of which 119,938,100 can be used to satisfy the unvested Share Awards on vesting and 5,963,800 are to be used to satisfy future grants of Share Awards.

On 21 November 2019, 6,226,000 Share Awards were granted to each of Mr. Spencer Theodore Fung, Mr. Joseph C. Phi and Mr. Marc Robert Compagnon. In order to satisfy the vesting of these Share Awards, the Trustee bought an equivalent number of Shares in the market at a price of HK\$0.9198 per Share.

As at the date of this announcement, 28,183,000 of the unvested Share Awards are held by persons acting in concert with the Offeror, including 1,168,200 held by Dr. William Fung Kwok Lun, 9,200,000 held by Mr. Spencer Theodore Fung, 9,004,600 held by Mr. Marc Robert Compagnon and 8,810,200 held by Mr. Joseph C. Phi.

Under the 2015 Share Awards Scheme, if there is (a) a change in control of the Company; or (b) a privatisation of the Company by way of a scheme or by way of an offer, the Board shall in its sole discretion determine whether the vesting dates of any Share Awards will be accelerated. The Board intends to accelerate the vesting of all unvested Share Awards to the Effective Date.

All of the Trustee Held Shares shall form part of the Scheme Shares and be cancelled upon the Scheme becoming effective. Conditional upon the Scheme becoming effective, the Offeror shall pay the aggregate Cancellation Price for the Trustee Held Shares to the Trustee, which will then pay such amount to the grantees of the Share Awards by reference to the number of Share Awards attributable to such grantees on the Record Date as soon as practicable after receipt by the Trustee of the aggregate Cancellation Price. Any Cancellation Price received by the Trustee in respect of excess Trustee Held Shares that are not attributable to any granted Share Awards shall be paid to the Company. According to the trust deed of the 2015 Share Award Scheme, the Trustee shall not exercise the voting rights attached to the Trustee Held Shares. Accordingly, such 125,901,900 Shares will not be voted at the Court Meeting notwithstanding that such Shares form part of the Scheme Shares.

REASONS FOR AND BENEFITS OF THE PROPOSAL

For the Company: a proposal to facilitate a necessary transformation of the business alongside a highly accomplished partner, amid challenging market conditions.

In light of digital disruption to the retail industry, the Company has undertaken restructuring efforts to reposition its businesses and to improve its competitive

advantage. Although the Company has implemented a number of strategic changes to adapt to shifting market dynamics, the Company's financial performance has remained under pressure. In addition, economic headwinds, which are expected to continue, are having a significant adverse impact on the Company's business activities.

Despite these ongoing challenges, the Offeror remains committed to the Company's long-term prospects. The Company believes that the transformational efforts it is currently undertaking will require a longer period to carry out deeper restructuring and further investment in technology, infrastructure, and talent. In light of global economic uncertainties, the Company's transformation will involve execution risk and the associated benefits will require a longer time to materialise. The Offeror believes that the transformation of the Company will be more effectively implemented away from the public equity markets. The Offeror plans to contribute financial and operational resources to the Company in order to reinvigorate growth, seek out new business opportunities, and affirm its long term preeminent position in the market.

The Company considers a partnership with GLP, a leading global operator and investor in logistics, real estate, infrastructure, finance and related technologies with a strong track record, to be advantageous. GLP will bring benefits given its global scale, diversified network of customers, and technological competencies. Equally, the Company's global network, well-diversified customer base among global brands and retailers, deep supply chain expertise, and vendor relationships also complement GLP's business. Given the Company and GLP have a shared ambition to establish the digital supply chain of the future, a partnership will be able to leverage their respective strengths in order to realize this common objective.

For Scheme Shareholders: an attractive opportunity to realize their investment at a compelling premium.

The Scheme provides an attractive opportunity for the Scheme Shareholders to monetize their Shares at a compelling premium to the current market price of the Company. The Cancellation Price of HK\$1.25 for each Scheme Share represents a premium of approximately 150.0% over the closing price of HK\$0.500 per Share as quoted on the Stock Exchange on the Last Trading Date, and a premium of approximately 95.2% and 62.1% over the average closing price of approximately HK\$0.641 and HK\$0.771 per Share for 30 and 90 trading days up to and including the Last Trading Date, respectively.

FINANCIAL ADVISERS, INDEPENDENT BOARD COMMITTEE AND INDEPENDENT FINANCIAL ADVISER

The Offeror has appointed Morgan Stanley as its financial adviser in connection with the Proposal. The Company has appointed Citi as its financial adviser in connection with the Proposal, and Fung 1937 has appointed Goldman Sachs as its financial adviser in connection with the Proposal.

An Independent Board Committee, which comprises the following non-executive Directors: Ms. Margaret Leung Ko May Yee (chair of the Independent Board Committee), Mr. Allan Wong Chi Yun, Mr. Martin Tang Yue Nien, Mr. Chih Tin Cheung and Mr. John G. Rice, has been established by the Board to make a recommendation to the Disinterested Shareholders as to whether (i) the Proposal, and in particular the Scheme and the Founder Arrangement, is fair and reasonable; and (ii) to vote in favour of the Founder Arrangement at the SGM and the Scheme at the Court Meeting.

Dr. Victor Fung Kwok King, a non-executive Director, does not form part of the Independent Board Committee due to him being a member of the Founder Group. Mr. Marc Robert Compagnon, a non-executive Director, does not form part of the Independent Board Committee due to him being an employee of a subsidiary of Fung 1937.

The Independent Financial Adviser will be appointed by the Board in due course to advise the Independent Board Committee on the Proposal, the Scheme and the Founder Arrangement. A further announcement will be made after the appointment of the Independent Financial Adviser.

The Directors (excluding members of the Independent Board Committee whose views will be given after considering the advice of the Independent Financial Adviser) believe that the Proposal and the Scheme are fair and reasonable and in the interests of the Shareholders as a whole.

WITHDRAWAL OF LISTING OF THE SHARES

Upon the Scheme becoming effective, all Scheme Shares will be cancelled (with the equivalent number of new Shares being simultaneously issued and credited as fully paid to the Offeror) and the share certificates for the Scheme Shares will thereafter cease to have effect as documents or evidence of title. The Company will make an application for the listing of the Shares to be withdrawn from the Stock Exchange in accordance with Rule 6.15 of the Listing Rules, with effect immediately following the Effective Date.

The Scheme Shareholders will be notified by way of an announcement of the dates of the last day for dealing in the Shares and the day on which the Scheme and the withdrawal of the listing of the Shares on the Stock Exchange will become effective. A detailed timetable of the implementation of the Proposal will be included in the Scheme Document.

IF THE SCHEME IS NOT APPROVED OR THE PROPOSAL LAPSES

Subject to the requirements of the Takeovers Code, the Scheme will lapse if any of the Conditions has not been fulfilled or waived, as applicable, on or before the Long Stop Date. If the Scheme is not approved or the Proposal otherwise lapses, the listing of the Shares on the Stock Exchange will not be withdrawn.

If the Scheme is not approved or the Proposal otherwise lapses, there are restrictions under the Takeovers Code on making subsequent offers, to the effect that neither the Offeror nor any person who acted in concert with it in the course of the Proposal (nor any person who is subsequently acting in concert with any of them) may, within 12 months from the date on which the Scheme is not approved or the Proposal otherwise lapses, announce an offer or possible offer for the Company, except with the consent of the Executive.

If the Independent Board Committee or the Independent Financial Adviser does not recommend the Proposal, and the Scheme is not approved, all expenses incurred by the Company in connection therewith shall be borne by the Offeror in accordance with Rule 2.3 of the Takeovers Code.

OVERSEAS SHAREHOLDERS

The making and implementation of the Proposal to Scheme Shareholders who are not resident in Hong Kong may be affected by the applicable laws of the relevant jurisdictions. Any Scheme Shareholders who are not resident in Hong Kong should inform themselves about and observe any applicable legal and regulatory requirements in their own jurisdictions.

It is the responsibility of any overseas Scheme Shareholders wishing to take any action in relation to the Proposal to satisfy themselves as to the full observance of the laws and regulations of the relevant jurisdiction in connection therewith, including the obtaining of any governmental, exchange control or other consents which may be required, compliance with the necessary formalities and the payment of any issue, transfer or other taxes due from such shareholder in such jurisdiction.

Any acceptance by the Scheme Shareholders will be deemed to constitute a representation and warranty from such persons to the Offeror and the Company and their respective advisers, including Morgan Stanley, the financial adviser to the Offeror, that those laws and regulatory requirements have been complied with. If you are in doubt as to your position, you should consult your professional advisers.

In the event that the despatch or receipt of the Scheme Document by overseas Scheme Shareholders is prohibited by any relevant law or regulation or may only be effected after compliance with conditions or requirements that the directors of the Offeror or the Company regard as unduly onerous or burdensome (or otherwise not in the best interests of the Offeror or the Company or their respective shareholders), the Scheme Document will not be despatched to such overseas Scheme Shareholders. For that purpose, the Company will apply for a waiver pursuant to Note 3 to Rule 8 of the Takeovers Code at such time. Any such waiver will only be granted if the Executive is satisfied that it would be unduly burdensome to despatch the Scheme Document to such overseas Scheme Shareholders. In granting the waiver, the Executive will be

concerned to see that all material information in the Scheme Document is made available to such Scheme Shareholders.

TAXATION ADVICE

Scheme Shareholders are recommended to consult their own professional advisers if they are in any doubt as to the taxation implications of accepting or rejecting the Proposal. It is emphasised that none of the Offeror, persons acting in concert with the Offeror, the Company, Morgan Stanley or any of their respective directors, officers or associates or any other person involved in the Proposal accepts responsibility (other than in respect of themselves, if applicable) for any taxation effects on, or liabilities of, any other persons as a result of their acceptance or rejection of the Proposal.

DESPATCH OF THE SCHEME DOCUMENT

A Scheme Document including, among other things, further details of the Proposal, the Scheme and the Founder Arrangement, an explanatory statement as required under the Companies Act, the expected timetable relating to the Proposal, the recommendations of the Independent Board Committee, the letter of advice from the Independent Financial Adviser and notices of the Court Meeting and the SGM will be despatched to the Scheme Shareholders as soon as practicable and in compliance with the requirements of the Takeovers Code and applicable laws and regulations.

The Scheme Document will contain important information and the Scheme Shareholders are urged to read the Scheme Document carefully before casting any vote at (or providing any proxy in respect of) the Court Meeting or the SGM.

DISCLOSURE OF DEALINGS

The respective associates (as defined in the Takeovers Code) of the Offeror, the Founder Group, the GLP Group and the Company, including shareholders holding 5% or more of any class of relevant securities (as defined in Note 4 to Rule 22 of the Takeovers Code) of each of the foregoing, are hereby reminded to disclose their dealings in the relevant securities of the Company.

In accordance with Rule 3.8 of the Takeovers Code, reproduced below is the full text of Note 11 to Rule 22 of the Takeovers Code:

“Responsibilities of stockbrokers, banks and other intermediaries

Stockbrokers, banks and others who deal in relevant securities on behalf of clients have a general duty to ensure, so far as they are able, that those clients are aware of the disclosure obligations attaching to associates of an offeror or the offeree company and other persons under Rule 22 and that those clients are willing to comply with them. Principal traders and dealers who deal directly with investors should, in appropriate cases, likewise draw attention to the relevant Rules. However, this does not apply when the total value of dealings (excluding stamp duty and commission) in any relevant security undertaken for a client during any 7 day period is less than \$1 million.

This dispensation does not alter the obligation of principals, associates and other persons themselves to initiate disclosure of their own dealings, whatever total value is involved.

Intermediaries are expected to co-operate with the Executive in its dealings enquiries. Therefore, those who deal in relevant securities should appreciate that stockbrokers and other intermediaries will supply the Executive with relevant information as to those dealings, including identities of clients, as part of that co-operation.”
